THE PURPOSE of the VIRIGINA ANGUS ASSOCIATION

The activities of the VIRGINIA ABERDEEN-ANGUS ASSOCIATION are manifold; the objectives are essentially basic. Its primary concern is to insure the continued success of Angus cattle and their breeders in general, and in Virginia in particular. To accomplish this, the purpose may be sub-divided into the following interlocking divisions.

To promote and expand the market for ABERDEEN-ANGUS Cattle; the commercial and breeding, as well as the show ring stock.

To improve the breed-always bearing in mind that the ultimate destination is the table-by unifying the work of experienced breeders and guiding the efforts of the novice towards the development of an ideal type.

To publicize and disseminate the public at large proofs of the superiority of Angus cattle and Angus beef, by mean of the written and spoken word, by pictures and photographs, and by association-sponsored exhibitions, shows and sales.

To assist and encourage boys and girls to select, raise, and properly fit Angus cattle for breeding, or for show or for shambles. To aid breeders with problems of management, herd improvement, selection or merchandising, both by public auction and by private treaty.

To maintain and guard the highest standards of integrity in the registration of cattle, without which the purebred business would disintegrate.

To serve as a repository of information relation to the breed in all its phases, and to make it available to breeders.

To further the spirit of cooperation and understanding of harmony and good-fellowship, among breeders, not only in Virginia, but wherever grass and corn are grown.

In short, the purpose of the VIRGINIA ABERDEEN-ANGUS ASSOCIATION is to make Angus beef more profitable to the grower and the butcher, and to make it available to every table in the land, at least once each day, to the ultimate betterment of national health, energy and hence, prosperity.

The office of the Secretary may be held by the fieldman employed by the Association as such when so elected by the Board of Directors.

ARTICLE VI (Indemnification)

Section One - Limitation of Liability: To the full extent that Va. Code \S 8.01-220.1:1 and the Virginia Nonstock Corporation Act, as the same exist on the date hereof or may hereafter be amended, permits the limitation of elimination of the liability of directors or officers, a director or officer of the Association shall not be liable for damages in any proceeding against him

Section Two - Indemnification for Liability: The Association shall indemnify any director of officer of the Association who is or was a party to any proceeding by reason of the fact that he is or was such a director orofficer, and shall indemnify any director or officer of the Association who is or was serving at the request of the Association as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other profit or not-profit enterprise, against all liabilities and expenses incurred in the proceedings, except such liabilities and expenses as are incurred because of his willful misconduct or knowing violation of the criminal law. Section Three - Determination to Indemnify: Subject to the provisions of Section Seven of the Article, a determination to indemnify, a director of officer under Section Two of this Article shall be made, in the first instance, by a majority vote of a quorum of the Board of Directors, such quorum consisting of disinterested directors. If a quorum consisting of disinterested directors cannot be obtained, then the determination shall be made by majority vote of a committee designated by the Board of Directors (in which designation of interested directors may participate), the committee to consist solely of two or more disinterested directors. If such a committee cannot be designated, the determination shall be made by special legal counsel selected by a majority vote of a quorum consisting of disinterested directors, or, if the same cannot be obtained, by the committee described above. If neither a quorum consisting of disinterested directors or the committee described above can be obtained, the selection of special legal counsel shall be made by majority vote of the Board of Directors (in which selection interested directors may participate). Notwithstanding any other provision of this Article, in any instance, the determination to indemnify a director or officer may be made by vote of the members, except that interested directors of officers may not vote.

Section Four - <u>Advances and Reimbursements of Expenses</u>: Once a determination to indemnify has been made pursuant to the provisions of Section Three of the Article, the Association shall make advances for expenses of, and reimbursements for expenses incurred by, and director or officer in any proceeding described in Section Two of the Article, upon receipt of an undertaking from the director or officer to repay the same if it is ultimately determined that he is not entitled to indemnification. Such undertaking shall be unlimited, unsecured general obligation of the director or officer and shall be accepted without reference to his ability to make repayment. The director of officer also shall furnish the Association with a written statement of his good faith belief that he has met the standard of conduct described in Va. Code § 13.1-876, as amended.

Section Five - Indemnification of Agents and Employees: The Board of Directors may cause the Association to indemnify and make advances and reimbursements to any person not specified in Section Two of this Article who was or is a party to any proceeding by reason of the fact that he is or was an employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other profit or non-profit enterprise, to the same extent as if such person were specified as one to whom indemnification is granted in Section Two. The provisions of Section Two through Four of the Article shall be applicable to any indemnification, determination, advancements and reimbursements provided pursuant to this Section.

Section Six - Indemnification Insurance: The Association may purchase and maintain insurance to indemnify it against the whole or any portion of the liability assumed by it in accordance with this Article, and also may procure insurance in such amount as the Board of Directors may determine on behalf of any person who is or was a director, officer, employee or against of the Association or is or was serving at the request of the Association as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture,

trust, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other profit or no-profit enterprise, against any liability asserted against or incurred by such person in any such capacity, or arising from his status as such, whether or not the Association would have power to indemnify him against such liability under the provisions of this article.

Section Seven - New Majority of the Board of Directors: If there has been a change in the composition of a majority of the Board of Directors after the date of the alleged act or omission with respect to which indemnification is claimed, any determination as to indemnification, advancement or reimbursement of expenses with respect to any claim for indemnification, made pursuant to Sections Two or Five of the Article shall be made by special legal counsel agreed upon by the Board of Directors and the proposed indemnitee. If the Board of Directors and the proposed indemnitee are unable to agree upon such special legal counsel, the Board of Directors and the proposed indemnitee each shall select a nominee, and the nominees shall select such special legal counsel.

Section Eight - <u>Applicability of this Article</u>: The provisions of this Article shall be applicable to all actions, claims, suits or proceedings commenced after the adoption hereof, whether arising from any action taken, or failure to act, before or after such adoption. No amendment, modification or repeal of this Article shall diminish the rights provided hereby or diminish the right to indemnification with respect to any claim, issue or matter in any then pending or subsequent proceeding that is based in any material respect on any alleged action or failure to act prior to such amendment, modification or repeal. References in the Article to directors, officers, employees or agents shall include former directors, officers, employees and agents and their respective heirs, executors and administrators.

ARTICLE VII

(Dissolution of Association)

Upon the dissolution of the Association, the Board of Directors shall, after making provision for the payment of all of the liabilities of the Association, dispose of all of the assets of the Association by transferring the same to the American Angus Association, or any successor organization with the same purposes, or if such organization is not in existence then to such organization or organization operated for the promotion of animals or agriculture products as shall at the time qualify as an exempt organization or organizations under Section 501(c)(5) of the Internal Revenue Code, or any amendments thereto, as the Board of Directors shall determine.

ARTICLE VIII

(Amendment to Bylaws)

The bylaws of the Association may be amended by a majority vote of the members present at the annual meeting, or at any special meeting called for such purpose, provided that the subject matter of any proposed amendment shall be submitted in writing by the Secretary to the members of the Association not less than ten (10) days nor more than sixty (60) days prior to the meeting at which the proposed amendment is to be presented.

HALL OF MERIT HONOREE Low Ingeo

Lou Inzeo grew up in Newark, New Jersey, where he graduated from high school in 1957. Much to the chagrin of his parents, he chose not to attend college, even though he had two separate scholarships for sports. Immediately after high school, Lou started a small business in the food distribution industry in New York City. He ran this business for many years, running as many as 13 trucks within the city. In addition to this, he also owned an auto repair business. If you know Lou, you know that there are two things that he loved: showing Angus cattle and auto racing. In the 1970s, Lou was full time in dirt track racing in New Jersey and New York, sometimes racing but mostly as a team owner. In 2014, he was inducted in the Garden State Automotive Hall of Fame. Lou moved to Pamplin, Virginia, in 1995 with his wife Barbara where he began his Angus career at Windy Hill Farm. Lou was a proponent of artificial insemination and embryo transfer, breeding cattle for the next show winner. As much as he loved the show ring, he loved the people that surrounded it. Many junior careers were on a springboard with Lou. He had many successes in the show ring, winning at least once the New York, New Jersey, North Carolina, South Carolina, Tennessee and West Virginia State Fairs with cattle he bred. In addition, he won countless county fairs across the mid-Atlantic. In 2001, Lou's pride-and-joy, WHF Blockbuster, was the Reserve Champion Roll Of Victory Show Bull. He served the Virginia Angus Association selflessly for many years in various capacities, including designing the logo that we use to this day. Lou was very proud of the many juniors who helped him along the way. His love for the Angus breed was as genuine as they come. Lou passed away in April of 2024.
